COLLABORATION
CONFERENCE
EUROPE

DUBLIN, IRELAND
OCTOBER 8 - 9

Aimed at users, developers and everybody else interested in Apache CloudStack, the CloudStack Collaboration Conference is the place to learn more about CloudStack or join developers to discuss the past, present and future.

Join the CloudStack community for two full days of talks and demos about CloudStack and related technologies. Each day is divided into several tracks led by CloudStack users and developers, with breaks for coffee, lunch and a networking reception.
