# CommonsPeople

Herein we see a page on which each commons committer is listed, with their area of interest. The idea being that we can tell where our awareness is (rather than just simple activity as generated by svn scripts).

'Active' means you are an active developer, 'Interested' effectively means you are an active user, and 'Future' means you plan to get involved at some point in the future.

## **Rahul Akolkar**

- Active: SCXML
- Interested: Commons-build, Validator
- Future: Resources, Digester

#### Martin van den Bemt

- Active: varies
- Oversight: feedparser (applying patches)
- Interested: csv, email, fileupload, io, beanutils, dbutils, betwixt

- Active:
- Interested:
- Future: JS2J

## **Mark Diggory**

- Active: Math, Commons-build
- Interested: Configurator, Digester
- Future: JavaFlow, Jelly, Workflow

## **Oliver Heger**

- Active: Configuration
- Interested: Lang, Jelly
- Future: Resources

## **Mario Ivankovits**

- Active: VFS
- Interested: compress, net
- Future:
- Outside Commons: MyFaces

## Simon Kitching

- Active: Logging, Digester
- Interested: Betwixt, Collections, Lang
- Future:

## **Dennis Lundberg**

- Active: Commons-build, Logging
- Interested: DbUtils, Lang
- Future:

#### Sandy McArthur

- Active: Pool
- Interested:
- Future: Dbcp

#### **Tim O'Brien**

- Active: Codec
- Interested: SCXML, \*
- Future: CLI

## **Niall Pemberton**

- Active: Resources, Validator, BeanUtils
- Interested: Chain, FileUpload, Collections
- Future: SCXML

#### **Brett Porter**

- Active: Exec, OpenPGP, Jelly
- Interested: IO
- Future: JCI, Compress

#### Jörg Schaible

- Active: IO, Lang, VFS
  Interested: CLI, Collections, Logging
- Future:

## **Phil Steitz**

- Active: Math, Pool, DBCP
- Interested: Lang, Collections
- Future:

#### Henri Yandell

- Active: Lang, CLI, DbUtils, CSV
- Interested: Codec, IO, Collections, Math
- Future: BeanUtils, DBCP, Pool

## **Rory Winston**

- Active: Net
- Interested: Validator, SCXML, DBCP, Math

## **Emmanuel Bourg**

- Active: Configuration
  Interested: Digester, Lang, Collections
- Future: DbUtils, IO

#### Matt Benson

- Active: JXPath, Lang, Functor
- Interested: Collections
- Future: new components

## **Siegfried Goeschl**

- Active: Exec
- Interested: Email

## Simone Tripodi

- Active: Digester, Discovery, Pool
  Interested: Collections, Proxy
- Future: new components
