

StrutsConsultants

Struts Consultants

"Look for a mentor with knowledge and ability to transfer that knowledge. Your mentor may be the most important factor in your project's success" (*Martin Fowler, 'UML Distilled'*)

The following organisations offer consultancy and training in Struts.

Consultants: **Please** place in *alphabetical* order. Entries not in order will be subject to deletion.

Their inclusion on this page does not imply endorsement by the Apache Software Foundation.
